The **Tenant** will not carry on nor do, nor allow to be carried on or done on the **Leased Premises** any activity which may be a nuisance or which may be improper, noisy, or contrary to any law (including any bylaws of the **City**) governing the **Leased Premises**.

4.6 No Unlawful Purpose

The **Tenant** will not use or occupy or allow to be used or occupied any part of the **Leased Premises** for any illegal or unlawful purpose or in any way which would result in the cancellation of any insurance.

4.7 Excepted Out Occupation Period

The **Tenant** will have exclusive use of the **Leased Premises** other than as set out in the **Excepted Out Occupation Period** in Schedule "A" of this **Lease**.

5. INSURANCE

5.1 Fire Insurance

At all times during the **Term** the **City** will, at its expense, insure and keep insured the **Leased Premises** against loss or damage by fire and other perils now or in the future from time to time included in the commercial building form of insurance coverage applicable to similar properties as the **Leased Premises** and obtained in British Columbia by prudent owners in an amount equal to the full replacement value of the property being insured, provided however that the **City** will

not be required to insure the furniture, fixtures, leasehold improvements, and all other contents of the **Leased Premises**.

5.2 Commercial General Liability Insurance

At all times during the **Term**, the **Tenant** will at its own expense maintain with one or more companies approved by the **City**, commercial general liability insurance against claims for personal injury, death, property damage or other loss or liability arising out of the use and occupation of the **Leased Premises**, including without limitation, damage to the furniture, fixtures, improvements (including leasehold improvements), and all other contents of the **Leased Premises**, host liquor liability, forcible ejection liability, non-owned automobile liability, and contingent employer's liability, indemnifying and protecting the **City** and its employees and agents and the **Tenant**, to limits and with deductible amounts described in Schedule "B" attached to this **Lease**.

5.3 Identity of Insured and Subrogation

Any and all insurance policies described in paragraphs 5.2 must:

- (a) be written in the name of the **Tenant** and the **City** as the insured's with loss payable to the **City** and the **Tenant** as their respective interests may appear;
- (b) contain a cross liability clause and a waiver of subrogation clause in favour of the **City**;
- (c) contain a clause to the effect that any release from liability entered into by the **Tenant** prior to any loss does not affect the right of the **Tenant** or the **City** to recover;
- (d) contain a provision or an endorsement that the insurer must not cancel the policy without first giving the **City** at least 30 days notice in writing of its intention to cancel; and
- (e) not contain coverage exclusions relating to "host liquor liability" or "forcible ejection".

5.4 Release of City from Liability for Insured Loss or Damage

The **Tenant** releases the **City** and its employees, agents, elected officials, successors, and assigns from any and all liability for loss or damage caused by any of the perils against which the **Tenant** is obliged to have insured under this **Lease**. The **Tenant** will indemnify and save harmless the **City** and its employees, agents, elected officials, successors, and assigns from and against all manner of actions, causes of action, suits, damages, loss, costs, claims, and demands of any nature whatsoever relating to such insured loss or damage that the **Tenant** is obligated to insure. The **Tenant** acknowledges and agrees that the release and indemnity contained in this paragraph 5.5 is not in any way limited to or otherwise affected by any insurance policy amounts or deductible amounts required or approved by the **City** under this **Lease**.

5.5 Proceeds of Insurance for Damage to Leased Premises

- (a) Subject to article 7, the **Trustee** must use the insurance moneys for the restoration, reconstruction, or replacement of the loss or damage in respect of which such insurance moneys are payable under this **Lease** against certificates of the architect or engineer engaged by the **Tenant** or such other person as the **City** and the **Tenant** may agree upon who is in charge of such restoration, reconstruction, or replacement.

5.6 City's Right to Repair and Receive the Insurance Proceeds

If the **Tenant** fails to cause the restoration, reconstruction, or replacement of the loss or damage in respect of which the insurance moneys are payable, then the **City** is entitled to cause such restoration, reconstruction, or replacement and the **Trustee** to whom the insurance moneys are payable must pay or cause to be paid such insurance moneys to the **City** in the same manner the **Trustee** would have done had the **Tenant** caused such restoration, reconstruction, or replacement.

5.7 Payment of Insurance Premiums

Except for the policy described in paragraph 5.1, the **Tenant** will pay all of the insurance premiums under the policies described in this article 5 as they become due. If the **Tenant** defaults on the payment of the insurance premiums, the **City** may pay the premiums and add the amount paid to the **Additional Rent**.

5.8 Copies of Insurance Policies

Except for the policy described in paragraph 5.1, if requested by the **City** at any time, the **Tenant** will immediately deliver to the **City** certified copies of all insurance policies required and described in this article 5, together with proof that all the insurance premiums have been paid.

5.9 Insurance May be Maintained by City

If the **Tenant** at any time during the **Term** fails to obtain or maintain any insurance required by this **Lease**, then the **City**, although not obliged to do so, may obtain and maintain such insurance in such amounts and with such deductibles and for such periods of time as the **City** chooses, and the **City** may add the amounts it paid for that insurance to the **Additional Rent**.

5.10 Workers' Compensation Coverage

At all times during the **Term**, the **Tenant** will at its own expense obtain and carry full workers' compensation coverage in respect of all workers, employees, and others engaged in or upon any work on the **Leased Premises**.

6. REPAIRS AND MAINTENANCE

6.1 City Not Obligated to Repair

Except, as expressly set out in Schedule "C" to this **Lease** and except during the **Excepted Out Occupation Period**, the **Tenant** is completely and solely responsible for the condition, operation, repair, replacement, maintenance, and management of the **Leased Premises**.

6.2 Repair by the Tenant

Except, as expressly set out in Schedule "C" to this **Lease** and except during the **Excepted Out Occupation Period**, the **Tenant** will, at all times during the **Term** and at its own expense, repair, restore, maintain and keep the **Leased Premises**, both inside and outside, in good condition (reasonable wear and tear excepted), in the same manner and to the same extent as a prudent owner would and in accordance with any notices from the **City**. The **Tenant** will make all repairs and restorations with at minimum, equal quality materials and workmanship in comparison to the original work and material in the **Leased Premises**.

6.3 Repairs to Leased Premises by City

If at any time during the **Term** the **Tenant** fails to maintain the **Leased Premises** in the condition required by paragraph 6.2, then the **City** may, but is not obliged to, enter upon the

Leased Premises for the purpose of making the repairs required by paragraph 6.2. The **Tenant** will reimburse the **City** on demand for any amount paid by the **City** in making repairs to the **Leased Premises**, together with all costs and expenses of the **City**, and the **City** may add that total amount to the **Additional Rent**.

6.4 *No Injury to Leased Premises*

The **Tenant** will not injure or disfigure the **Leased Premises** or allow them to be injured or disfigured in any way.

6.5 *At Expiration Deliver Up Leased Premises*

At the expiration or earlier termination of this **Lease**, the **Tenant** will, except as may be otherwise expressly stated in this **Lease**, permanently vacate and turn over to the **City** the **Leased Premises** and all the fixtures, appurtenances, and equipment attached to the **Leased Premises**, in good condition.

6.6 *Leased Premises Accepted "As Is"*

The **Tenant** accepts the **Leased Premises** "as is" knowing its condition, and agreeing that the **City** has made no representation, warranty, or agreement with the **Tenant** with respect to the condition of the **Leased Premises**.

6.7 *Removal of Ice and Snow*

The **Tenant** will at all times during the **Term** keep the entrances, walkways and roadways adjacent to the **Leased Premises** reasonably clean from ice and snow. If at any time the **Tenant** fails to remove the ice and snow then the **City** may remove such ice and snow without notice to the **Tenant**. The **Tenant** will reimburse the **City** on demand for any costs and expenses incurred by the **City** in removing such ice and snow, and the **City** may add that total amount to the **Additional Rent**.

7. DAMAGE OR DESTRUCTION

7.1 *No Reduction in Rent*

Unless the **City** terminates this **Lease** under subparagraph 7.2(a), the partial or complete damage or destruction of the **Leased Premises** by fire or other casualty does not terminate this **Lease** or entitle the **Tenant** to surrender possession of the **Leased Premises** or to demand any reduction of the **Rent** or other charges payable under this **Lease**, despite any law or statute now or in the future to the contrary.

7.2 *Damage to Leased Premises*

The **City** and the **Tenant** agree that:

- (a) if 20% or more of the area of any building located on the **Leased Premises**, with the exception of the Agriplex and the Millennium Barns, is damaged or destroyed, then the **City** will, at its option to be exercised within 90 days after the damage or destruction, by notice in writing to the **Tenant**, have the right to terminate this **Lease**, and upon giving that notice the **Term** and this **Lease** will immediately cease and terminate; and
- (b) if less than 20% of the area of any building located on the **Leased Premises**, with the

exception of the Agriplex and the Millennium Barns, is damaged or destroyed as a result of a casualty fully insured against by the **City**, or if the **City** does not terminate this **Lease** under subparagraph 7.2(a), then the **City** will repair, reconstruct, replace, or restore all or any part of the **Leased Premises** so destroyed with structures comparable to those being replaced to a maximum expenditure of the insurance moneys received.

- (c) For the Agriplex and the Millennium barns, the 20% listed in clause 7.2 (a) and 7.2 (b) shall be substituted using 70% as the determining factor.

8. REPLACEMENT, CHANGES, ALTERATIONS, AND SUBSTITUTIONS

(a) Approval from City Required

The **Tenant** will obtain approval in writing from the **City** prior to making any changes, alterations, replacements, substitutions, or additions affecting the structure of any improvement on the **Leased Premises**, the major electrical or mechanical systems contained in any improvement on the **Leased Premises**, or the exterior decoration, design, or appearance of any improvement on the **Leased Premises**, which approval the **City** may withhold in its sole discretion for any reason it sees fit.

(b) Proceeding with Changes

Subject to article 9, the **Tenant** will proceed with all approved changes, alterations, replacements, substitutions, and additions with due diligence to completion. All changes, alterations, and additions must meet the requirements of the **City** and any other governmental authorities having jurisdiction.

9. UNAVOIDABLE DELAYS

9.1 Extensions of Time

If an **Unavoidable Delay** prevents or delays the **Tenant** in the repair of the **Leased Premises** within the time specified in this **Lease**, then the **City** will extend the date or period of time within which the work was to have been completed by a reasonable period of time, and the **Tenant** is not in default if it performs and completes the work in the manner required by the terms of this **Lease** within the extended period of time.

9.2 Disputes Regarding Unavoidable Delays

If the **City** and the **Tenant** cannot agree as to whether or not there is an **Unavoidable Delay**, or they cannot agree as to the length of the **Unavoidable Delay**, then the dispute will go to arbitration in accordance with article 18. The **Tenant** will act diligently and take all reasonable steps of a prudent owner to remove the cause or causes of an **Unavoidable Delay**.

10. BUILDERS' LIENS

10.1 Tenant to Remove Liens

The **Tenant** will at all times throughout the **Term** at its own expense, cause any and all builders' liens and other liens for labour, services, or materials alleged to have been supplied to the **Leased Premises**, that may be registered against or otherwise affect the **Leased Premises** by reason of

work, labour, services, or materials supplied or claimed to be supplied to or on the request of the **Tenant**, to be paid, satisfied, released, or vacated within 42 days after the **City** has sent written notice to the **Tenant** by registered mail of any claim for any such lien.

10.2 *Tenant May Dispute Lien Claim*

If there is a genuine dispute by the **Tenant** as to the validity or correctness of any claim for any lien, then the **Tenant** is entitled to defend against the claim after first:

- (a) paying into court the amount claimed or sufficient security for the amount claimed;
- (b) paying into court costs as the court may direct; and
- (c) when entitled to do so at law, registering all documents necessary to release and cancel the lien from the **Leased Premises**.

10.3 *City Not Responsible for Liens and May File Notice*

The **City** is not responsible for claims of builders liens filed by persons claiming through the **Tenant** or persons for whom the **Tenant** is in law responsible. The **City** may file in the Land Title Office at any time a notice of interest pursuant to s. 3 of the *Builders Lien Act*, S.B.C. 1997, c. 45, confirming that the **City's** interest in the **Leased Premises** is not bound by a lien claimed under that Act in respect of an improvement to the **Leased Premises** unless that improvement is undertaken at the express request of the **City**.

11. INSPECTION OF PREMISES BY CITY AND REPORTS TO CITY COUNCIL

11.1 *Inspection by City*

The **City** may at all reasonable times during the **Term** enter the **Leased Premises** to examine its condition. The **City** will give the **Tenant** notice of any repairs or restorations required under paragraph 6.2 and the **Tenant** will, within 60 days after receiving every notice, complete all repairs and restorations required by the notice.

11.2 *Annual Reports to City Council*

During the **Term** an administrative department of the **City** may report to the municipal council of the **City** regarding the **Tenant's** operations under this **Lease** and regarding the **Tenant's** compliance with all the terms and conditions of this **Lease**.

12. OBSERVANCE OF LAWS

12.1 *Tenant Must Comply with Laws*

Despite anything else in this **Lease** to the contrary, at all times during the **Term** the **Tenant** will comply with all applicable laws, including without limitation all municipal bylaws, all provincial legislative enactments and all federal legislative enactments.

13. INDEMNITIES

13.1 *Breach, Violation, or Non-Performance of Lease Terms by Tenant*

The **Tenant** will indemnify and save harmless the **City**, its employees, agents, elected officials, successors, and assigns from any and all manner of actions, causes of action, suits, damages, loss, costs, builders' liens, claims, and demands of any nature whatsoever relating to and arising during the **Term** out of any breach, violation, or non-performance of any promise, condition, or agreement in this **Lease** to be fulfilled, kept, observed or performed by the **Tenant**.

13.2 Injury, Damage, or Loss of Property

Despite article 5, the **Tenant** will indemnify and save harmless the **City** from any and all manner of actions, causes of action, suits, damages, loss, costs, claims, and demands of any nature whatsoever relating to and arising during the **Term** out of:

- (a) any injury to a person or to persons, including death, occurring in or about the **Leased Premises**; and
- (b) any damage to or loss of property caused directly or indirectly by the use and occupation of the **Leased Premises**;

however, no section of this **Lease** requires the **Tenant** to indemnify the **City** against any actions, causes of actions, suits, claims, or demands for damages arising out of the intentional, deliberate or grossly negligent acts or omissions of the **City**.

13.3 Indemnification Survives Termination of Lease

The obligation of the **Tenant** to indemnify the **City** under any part of this **Lease** with respect to liability by reason of any matter arising before the end of the **Term** survives any termination of this **Lease**, despite anything in this **Lease** to the contrary.

14. SUBLEASING, ASSIGNING AND MORTGAGING

14.1 Subleasing and Assigning

The **Tenant** will not:

- (a) assign this **Lease** in whole or in part;
- (b) sublease the **Leased Premises** or any part of them; nor
- (c) grant any concession or license of any part of the **Leased Premises**;

without obtaining the prior written consent of the **City**, which consent may be withheld by the **City** in its sole discretion for any reason it sees fit.

14.2 Tenant Not Relieved of Obligations

The **Tenant** is not relieved of its obligations under this **Lease** after:

- (a) any assignment of this **Lease** in whole or in part;
- (b) any sublease of the **Leased Premises** or any part of it; or
- (c) any grant or concession or license of the **Leased Premises** or any part of it;

(d) unless the **City** expressly consents in writing to a release of the **Tenant**.

14.3 Mortgaging by Tenant

The **Tenant** will not mortgage its leasehold interest under this **Lease** or its interest in the **Leased Premises** without the prior written consent of the **City**, which consent may be withheld by the **City** in its sole discretion for any reason it sees fit.

14.4 Tenant to Comply with All of Its Obligations

The **Tenant** will observe and perform all of its obligations incurred in respect of assignments, subleases, agreements for lease, and mortgages of its leasehold interest in the **Leased Premises**, and will not allow any such obligations to be in default. If any default occurs, then the **City** may, but is not obliged to, rectify the default for the account of the **Tenant**. The **Tenant** will reimburse the **City** on demand for any amount paid by the **City** to rectify the default, together with all costs and expenses of the **City**, and the **City** may add that total amount to the **Additional Rent**.

15. BANKRUPTCY OF TENANT

15.1 City May Seize Fixtures

The **Tenant** waives the benefit of any present or future law taking away or limiting the **City's** right of distress. The **Tenant** agrees that despite any such law, the **City** may seize any and all fixtures and other property of the **Tenant** on or in the **Leased Premises** at any time during the **Term** to satisfy the non-payment of **Rent**.

15.2 Tenant Will Not Sell or Encumber Fixtures

The **Tenant** will not sell or remove any of its fixtures or other property from the **Leased Premises** during the **Term** without the consent of the **City**, unless the **Tenant** is substituting new property of equal value or is disposing of individual items that have become excess for the **Tenant's** purposes. The **Tenant** will be the owner of its fixtures and other property and will not allow them to become subject to any lien, mortgage, charge, or other encumbrance.

15.3 Tenant Will Not Repudiate Lease

The **Tenant** will not, without the **City's** consent, repudiate or disclaim (or attempt to repudiate or disclaim) this **Lease** in any bankruptcy, insolvency, reorganization, or other proceeding or court application. If required by the **City**, the **Tenant** will waive in favour of the **City** the benefit of section 65.2 of the *Bankruptcy and Insolvency Act*, R.S. 1985, c. B-3 as changed from time to time, and any section of similar meaning.

16. DEFAULT BY TENANT

16.1 Re-entry on Defaults by Tenant

If:

- (a) the **Tenant** fails to pay **Rent** or any other money required to be paid to the **City** by this **Lease** and such failure continues for more than 30 days after the **City** gives the **Tenant** written notice of the **City's** intention to terminate this **Lease**; or

- (b) the **Tenant** fails to perform or observe any of its other promises or obligations under this **Lease** and such failure continues for more than 30 days after the **City** gives the **Tenant** written notice of the **City's** intention to terminate this **Lease**;

then the **City** may at any time re-enter the **Leased Premises** without being liable to any prosecution or damages and may repossess the **Leased Premises** and all fixtures and improvements on the **Leased Premises** as liquidated damages.

16.2 Re-entry Does Not Forfeit Rent or Waive Tenant's Obligations

Any re-entry and repossession of the **Leased Premises** by the **City** is not:

- (a) a forfeiture or waiver of the **Rent** paid or to be paid to the **City**, all of which may be retained by the **City** as liquidated damages and not as a penalty; or
- (b) a forfeiture or waiver of the promises or obligations to be performed by the **Tenant** up to the date of the re-entry and repossession.

16.3 Remedies of City are Cumulative

The remedies of the **City** specified in this **Lease** are in addition to any remedies of the **City** at law or equity. No remedy is exclusive, and the **City** may from time to time use one or more or all of the available remedies specified in this **Lease** or at law or equity.

16.4 Waivers by City

The failure of the **City** to insist upon the performance of any promise, obligation or agreement in this **Lease** does not waive that promise, obligation or agreement. The waiver by the **City** of any breach of any promise, obligation or agreement in this **Lease** does not waive that promise, obligation or agreement for any other breach. The acceptance by the **City** of **Rent** or other money due under this **Lease** with knowledge of any breach of any promise, obligation or agreement by the **Tenant** does not waive that breach. No waiver by the **City** is valid unless signed by the **City**.

17. 17. REPRESENTATIONS OF CITY

17.1 Ownership of Leased Premises

The **City** owns the **Leased Premises**.

17.2 Authority to Lease

The **City** has the right to lease the **Leased Premises** to the **Tenant** under the true intent of this **Lease**.

18. ARBITRATION

If the **City** and the **Tenant** do not agree on anything in this **Lease** that is to be settled by arbitration, then that disagreement must be referred to one arbitrator in accordance with the *Commercial Arbitration Act*, R.S.B.C. 1996, c.55, as changed from time to time. The **City** and the **Tenant** will share the cost of the arbitration equally, and they will each pay for their own legal costs in connection with the arbitration.

19. SURRENDER OF LEASE

At the expiration or earlier termination of the **Term**, the **Tenant** will give up the **Leased Premises** to the **City** in the condition that it was required to be kept by the **Tenant** under this **Lease**. The **Tenant** is not entitled to any compensation from the **City** for giving up the **Leased Premises** to the **City**.

20. QUIET ENJOYMENT AND OWNERSHIP OF TENANT'S FIXTURES

20.1 Quiet Enjoyment

If the **Tenant** pays the **Rent** and the other charges under this **Lease**, and performs all its other obligations specified in this **Lease**, then the **Tenant** may possess the **Leased Premises** for the **Term**, without any interruption or disturbance from the **City**. However, nothing in this paragraph 20.1 limits the rights of access for the **City** under paragraph 6.3, or the rights of inspection for the **City** under paragraph 11.1.

20.2 Tenant's Fixtures

At the expiration of the **Term** or earlier termination of this **Lease**, the **Tenant** may remove those fixtures or improvements that are normally removable by tenants and that are not part of the **Leased Premises**. The **Tenant** will immediately repair any damage to the **Leased Premises** caused by any removal of the tenant's fixtures.

If any of the tenant's fixtures are not removed on the expiration of the **Term** or earlier termination of this **Lease**, then the **Tenant** agrees to remove them at its own cost, if requested to do so by the **City**, within seven days of the expiration or earlier termination of this **Lease**. If the **City** does not request that the **Tenant** remove the tenant's fixtures, then on the expiration of the **Term** or earlier termination of this **Lease** all of the tenant's fixtures left behind automatically become the absolute property of the **City** free of all encumbrances.

20.3 City's Right to Further Encumber

The **City** reserves the right to grant an easement, statutory right of way, or restrictive covenant over the **Leased Premises** to any person it sees fit, including itself. The **Tenant** will immediately sign and deliver to the **City** any documents required to give that charge priority over any of the **Tenant's** rights and interests in the **Leased Premises** under this **Lease**.

21. OVERHOLDING

If the **Tenant** occupies the **Leased Premises** after the expiration of the **Term** without another written lease agreement and without objection by the **City**, then the new tenancy created is a tenancy from month to month (not a tenancy from year to year), at a rent agreed upon between the **City** and the **Tenant**. The new month to month tenancy is subject to the promises, obligations and conditions contained in this **Lease** so far as they may be applicable to a month to month tenancy.

22. NOTICES

All notices, demands, and requests given under this **Lease** must be in writing and must be delivered by courier or sent by registered mail to the addresses specified on the title page of this **Lease**. The **City** or the **Tenant** may change addresses by giving notice to the other in accordance with this paragraph. If delivered by courier, then the date of receipt of any notice, demand, or request is the date of actual

delivery. If the notice, demand, or request is mailed by registered mail, then the date of receipt of any notice, demand, or request is agreed to be the third business day after the date of mailing, whether or not the notice, demand, or request is actually received on that day.

23. ENVIRONMENTAL MATTERS

23.1 Compliance with Environmental Laws

The **Tenant** will:

- (a) use the **Leased Premises** only in compliance with all **Environmental Laws**;
- (b) allow the **City** to investigate the **Leased Premises** and the **Tenant's** records at any time to verify compliance with **Environmental Laws** and this **Lease**;
- (c) at the reasonable request of the **City**, obtain at the **Tenant's** cost a report from an independent consultant approved by the **City** verifying compliance with **Environmental Laws** and this **Lease** or the extent of any non-compliance;
- (d) not store, manufacture, dispose, treat, generate, use, transport, remediate, or release **Environmental Contaminants** on or from the **Leased Premises** without receiving prior written consent from the **City**, which consent may be withheld by the **City** in its sole discretion for any reason it sees fit;
- (e) promptly remove any **Environmental Contaminants** from the **Leased Premises** in a way that conforms to **Environmental Laws** governing their removal; and
- (f) immediately notify the **City** in writing of:
 - (i) any enforcement, clean-up, removal, litigation, or other governmental, regulatory, judicial, or administrative action started, contemplated, or threatened against the **Tenant** or the **Leased Premises** under any **Environmental Laws**;
 - (ii) all claims, actions, orders, or investigations started, contemplated, or threatened by anyone against the **Tenant** or the **Leased Premises** relating to damage, contribution, cost recovery, compensation, loss, or injuries resulting from any **Environmental Contaminants** or any breach of the **Environmental Laws**; and
 - (iii) the discovery of any **Environmental Contaminants** or any occurrence or condition on the **Leased Premises** or any land next to or near the **Leased Premises** which could expose the **Tenant**, the **City** or the **Leased Premises** to any fines, penalties, orders, or proceedings under any **Environmental Laws**.

23.2 City Can Make Enquiries

The **Tenant** authorizes the **City** to make enquiries at any time of any governmental authority regarding the **Tenant's** compliance with **Environmental Laws**, and the **Tenant** will give the **City** any other written authorization required for the **City** to obtain that information.

24. LIQUOR SALES

24.1 Liquor License Required

The **Tenant** will not sell or distribute or permit any other person to sell or distribute alcoholic beverages at the **Leased Premises** without first obtaining and paying for a license under the *Liquor Licensing Act* (British Columbia) for the sale and distribution of alcoholic beverages at the **Leased Premises** in the manner contemplated.

24.2 Compliance with License and Alcohol Policy

The **Tenant** will ensure that it and all other persons will at all times comply strictly with all terms and conditions of the liquor license authorizing liquor sales at the **Leased Premises** and with all applicable laws and regulations (including without limitation the restrictions under the City's Alcohol Policy) relating to any such liquor sales.

24.3 Production of Licenses and Notification of Changes

At the request of the **City**, the **Tenant** will provide the **City** with a true copy of all liquor licenses authorizing liquor sales at the **Leased Premises** from time to time, and the **Tenant** will immediately notify the **City** in writing of any change, renewal, cancellation or termination of a liquor license.

25.2 No Modification

This **Lease** may not be changed except by a written agreement signed by the **City** and the **Tenant**.

25.3 Successors and Assigns

17 Definition of Harassment and Bullying

Canadian Human Rights Commission

17.1 IDENTIFYING HARASSMENT

17.1.1 Unwelcome behaviour that demeans, humiliates, or embarrasses

Harassment is any behaviour that demeans, humiliates or embarrasses a person, and that a reasonable person should have known would be unwelcome. It includes actions (e.g. touching, pushing), comments (e.g. jokes, name-calling), or displays (e.g. posters, cartoons). The *Canadian Human Rights Act* prohibits harassment related to race, national or ethnic origin, colour, religion, age, sex, marital status, family status, disability, pardoned conviction, or sexual orientation.

Disrespectful behaviour, commonly known as "personal" harassment is not covered by human rights legislation. While it also involves unwelcome behaviour that demeans or embarrasses an employee, the behaviour is not based on one of the prohibited grounds named above.

17.1.2 Unwanted sexual behaviour

Sexual harassment includes offensive or humiliating behaviour that is related to a person's sex, as well as behaviour of a sexual nature that creates an intimidating, unwelcome, hostile, or offensive work environment, or that could reasonably be thought to put sexual conditions on a person's job or employment opportunities. A few examples would be questions and discussions about a person's sexual life; touching a person in a sexual way; commenting on someone's sexual attractiveness or sexual unattractiveness; persisting in asking for a date after having been refused; telling a woman she belongs at home or is not suited for a particular job; eyeing someone in a suggestive way; displaying cartoons or posters of a sexual nature; writing sexually suggestive letters or notes.

Sexual harassment is frequently more about power than about sex. It occurs in situations where there is unequal power between the people involved and is an attempt by one person to assert power over the other. Harassment can also occur when an individual is in a vulnerable position because he or she is in the minority - the only woman, member of a visible minority, aboriginal person or person with a disability - and is, for example, ostracized by colleagues.

17.1.3 Abuse of authority

Abuse of authority occurs when a person uses authority unreasonably to interfere with an employee or the employee's job. It includes humiliation, intimidation, threats, and coercion. It does not include normal managerial activities, such as counselling, performance appraisals, and discipline, if these are not done in a discriminatory manner. Abuse of authority unrelated to a prohibited ground is not covered by human rights legislation. Nonetheless, some employers state in their anti-harassment policies that abuse of authority will not be tolerated.

18 What is Bullying?

Bullying is characterized by acts of intentional harm, repeated over time, in a relationship where an imbalance of power exists. It includes physical actions (punching, kicking, biting), verbal actions (threats, name calling, insults, racial or sexual comments), and social exclusion (spreading rumours, ignoring, gossiping, excluding) (Pepler & Craig, 2000; Ma, Stewin & Mah, 2001). Boys tend to be more likely to bully and be bullied, usually in the form of a physical attack and exhibition of aggressive behaviour. Alternatively, girls appear to be more prone to indirect bullying in the form of social isolation, slandering and the spreading of rumours (Marcel T. Van der Wal, et al., 2003).

Punching, shoving and other acts that hurt people physically

Spreading bad rumours about people

Keeping certain people out of a group

Teasing people in a mean way

Getting certain people to "gang up" on others

The four most common types of bullying are:

Verbal bullying - name-calling, sarcasm, teasing, spreading rumours, threatening, making negative references to one's culture, ethnicity, race, religion, gender, or sexual orientation, unwanted sexual comments.

Social Bullying - mobbing, scapegoating, excluding others from a group, humiliating others with public gestures or graffiti intended to put others down.

Physical Bullying - hitting, poking, pinching, chasing, shoving, coercing, destroying or stealing belongings, unwanted sexual touching.

Cyber Bullying - using the internet or text messaging to intimidate, put-down, spread rumours or make fun of someone.

Appendix #5: Eviction Policy

The Prince George Horse Society (PGHS) endeavors to create a safe and enjoyable atmosphere for all users. To achieve this goal, the rules are posted in the arena and expectations about use and behavior are stated in boarding and facility rental contracts, and the instructors' manual. It may be necessary from time to time when violations occur, to remind the offending users of their responsibilities. In such cases, the PGHS shall follow this policy.

- 1) The Facility Manager implements the policy on behalf of the Board of Directors.
- 2) This policy takes effect only when a written report has been submitted to the PGHS; and/or a PGHS staff person observed the offending behavior.
- 3) The policy applies to all users, regardless if the offender is a boarder, drop-in rider, member of a user group, instructor or a visitor.
- 4) The person reporting the offense will remain anonymous.
- 5) The offending behavior will be described to the individual, including the date and place of the incident. The PGHS will offer to meet with the individual to discuss the incident and find solutions. If a satisfactory outcome is not achieved, the PGHS will pursue the following steps.
- 6) For the first offence, the individual will receive a written warning.
- 7) For the second offence, the individual will receive a one-week suspension of user privileges.
- 8) For the third offence, the individual will be given up to one-year suspension of user privileges, and a warning that further offences will result in an eviction.
- 9) For any additional offences, the individual will receive a written eviction notice; the duration to be determined by the Board of Directors, including up to one year or permanently.

Please be aware this is a condition of having our wonderful facility in the City and one that we have no control over.

This event is held annually and will limit facility access for a period of ten (10) day period, commencing the Monday immediately prior to the BC Northern Exhibition in the month of August.

During this period, the boarder:

- May have access to their permanent paddocks (but may be asked to use a different paddock during this time), hay stalls and tack box.
- Will be required to utilize a temporary shavings bin and manure bin.
- Will be required to remove their horse trailer from the site by 6:00 pm on the Sunday before the BCNE
- Will not have use of the community hay storage barn.
- Will not have access to draft stalls being used as hay stalls (alternate arrangements to be made prior to BCNE date)

Boarders who wish to relocate their horse from the PGHS facility during this ten (10) day period are required to give notice by the 1st of August to the PGHS Facility Manager.

Any complaints or concerns during this excepted out period are to be directed to the PGHS Facility Manager by contacting him/her by cell and/or email. Boarders are discouraged from addressing any issues as such matters are the responsibility of the PGHS Facility Manager to address.

Special Events

As the PGHS Facility is a highly sought out facility to host large equine sporting events and the revenue from these books are important to the financial sustainability of the facility, there will be periods of times where the facility is rented to user groups.

The PGHS Facility Manager will ensure to communicate with the boarder at least two weeks in advance of a major event.

During periods when the facility has been rented for an equine sporting event, it is important for boarders to understand that the facility is then governed under the full insurance of the user group. As such the user group has full and exclusive use of the indoor arena, outdoor riding rings and all stalls that have been booked by the user group.

Should there be any incidents that cause concern to the boarder during times where the facility is rented by a user group, boarders are not to engage in addressing any issues with the renting user group. Boarders are to contact the PGHS Facility Manager by calling his/her cell phone or sending an email. All matters with renting user groups will be address solely by the PGHS Facility Manger.

Dispute/Conflict Resolution Process

Everyone has rights and responsibilities. In keeping with these rights and responsibilities, it is important that every individual and user group associated with the use of the Prince George Horse Society understand that they are responsible for conducting themselves in a way that upholds an atmosphere of civility, diversity, equality and respect in their interactions with each other. It is an expectation of the PGHS that individuals and user groups associated with the use of the Prince George Horse Society facility will ensure to make the facility safe and support the dignity of individuals and groups to uphold these collective rights and responsibilities.

With all public facilities such as the Prince George Horse Society facility, there may be incidents or situations that will require an incident report to ensure the safety and well-being of our boarders and user groups. Examples of reportable incidents would be situations where there are witnessed breaches of facility policies and rules and regulations.

Boarders and user groups are to utilize the following dispute/conflict resolution process so to allow the PGHS to address these situations.

Boarders and user groups are discouraged from attempting to enforce or address incidents and/or situations themselves as it is not their role at the PGHS facility.

1. All complaints and/or incidents are to be in writing via email to:
pghscomplimentsandcomplaints@gmail.com
2. Anonymous complaints and verbal complaints to the PGHS Facility Manager, PGHS Staff and/or PGHS Board of Directors will not be addressed.
3. The complaint/incident report shall contain the following:
 - Name and contact information of the complainant.
 - Name of individuals involved in the incident.
 - Date of the Incident.
 - Location of the Incident.
 - Time of the Incident.
 - Witnesses – indicate names of individuals that witnessed the incident.
 - A statement that outlines the details of the incident.
4. Once a complaint and/or incident report is filed with the PGHS Facility Manager, the Facility Manager will formally address the complaint/incident. The Facility will contact and interview the complainant, witnesses and will then review the recorded camera system as a means of further collaboration of the filed complaint/incident.

Once all parties have been interviewed and the recorded camera system has been reviewed, the PGHS will meet with those individuals that have been named in the complaint. The PGHS Facility Manager will not disclose the names of the complainants.

After all these steps are completed, the incident will then be presented to the PGHS Executive Committee who will determine the disciplinary steps to address the founded complaint.

5. To support an environment and atmosphere of civility, diversity, equality, and respect, it is important that boarders and user groups who choose to not utilize the formal complaint and/or incident reporting process, recognize that the Prince George Horse Society will not tolerate an environment of toxicity and gossip because of non-reported incidents and situations.
Situations that are not reported but result in gossip and damaged relationships at the facility will also be addressed by the Facility Manager and dependent on the severity of the situation, the PGHS Executive Committee and the PGHS Board of Directors.

Furthermore, any boarder or user group that attempts to address an incident/situation in a

way that is contrary to what has been outline above, may result in a complaint and/or incident filed against them because of their failure to adhere to the PGHS dispute/conflict resolution process.

Biosecurity Plan

Due to the vast and public use of the PG Agriplex there are some limitations as to what this document can cover. This document will only provide guidance and protocols for the boarders and overnight haul ins.

The Prince George Horse Society (PGHS) is not liable or accountable for the health and welfare of the horses boarded at the PG Agriplex.

This should be considered a best practices document for the boarder herd and in no way does the implementation of the below layers of protection make the PGHS responsible for prevention and spread of communicable disease at the PG Agriplex.

Illness Within Boarder Herd

It is the responsibility of the boarder to ensure their horses are healthy and receive vet care. when illness presents itself. While the American Association of Equine Practitioners (AAEP) recommendation is to have all horses on site vaccinated for core and risk-based vaccinations, we accept that currently our group values their right to choose. We strongly encourage all boarders to follow your vet's vaccination suggestions, but currently vaccinations are not mandatory. When a horse becomes sick onsite with a suspected communicable disease (respiratory infection, diarrhea, or fever of unknown origin) they are required to quarantined immediately. Quarantine will be in the draft stalls near the arena or 4H barn, alternatively the solid panels may be used in the paddock to reduce the nose-to-nose contact. Once quarantined, the horse's vet will provide guidelines on length of quarantine and if the whole facility needs to be locked down.

New Boarders and Overnight Horses

New horses coming on site need to be monitored for illness.

Horses that are coming from like environments with detailed history can be integrated into the boarder herd without any extraordinary measures taken.

Horses that are coming on site from poor conditions, like auction, slaughter or horses that do not have a health history must be isolated from the boarder herd. These horses are to be isolated in the assigned draft stall of in a paneled paddock.

In the case of a new boarder these horses will be isolated for 2 weeks.

If they are not showing signs of illness after the isolation period, they may be integrated into the boarder herd.

Overnight Horses

Historically commercial haulers have had limited contact with the facility manager when they are coming in. To ensure horses being hauled in are healthy and from like environments the facility requires basic history of the animal OR the horse needs to be isolated in either a solid paneled paddock or a stall.

Sanitation

Sanitation of quarantined stalls and paddocks are the responsibility of the boarder.

Cleaning supplies and directions supplied by the PGHS. The stall walls, paddock shelters are made of wood and porous, we at the PGHS recognizes the limitations of disinfection of porous surfaces, however we feel there is still some value in cleaning these areas when a contagious disease has been present.

When haulers with an overnight horse(s) report they have hauled an unhealthy horse the PGHS staff will be responsible for the sanitation of the area where this horse was stalled.

Moreover, PGHS staff will be responsible for cleaning the common areas periodically.

Community Illness

When the Facility manager is informed of a communicable disease within our community, she will verify with the local vets to determine the authenticity/severity and risk of disease. Upon the local Veterinarians recommendation, we will close the facility to ALL outside horses to reduce the spread of disease about which they are concerned.

In this situation the facility manager will share the closure to the community on social media, email and via signage on the entrance gates.

General

The facility agrees to provide the space set out in this agreement.

The area of the Prince George horse Society or facility grounds means all those lands, premises, buildings and improvement in the City of Prince George, in the Province of British Columbia, known municipality as 4199 – 18th Avenue and legally known and described as;

Individuals who Sub lease from the boarder must attend an orientation session prior to boarding. All sub-lease contracts must be administered by the Prince George Horse Society and all fees will be payable to the PGHS.

This agreement may be cancelled by either party on 30 days' written notice to the other party. In the case of an annual boarder, notice with cancellation fees. If the boarder at the end of such notice fails to immediately remove the horse from the facility, the facility shall be entitled to charge, and the boarder hereby agrees to pay an occupancy charge of \$30.00 per day, plus applicable taxes. The boarder may not remove the horse until all sums due under this agreement are paid in full. Upon failure to pay, sale proceedings pursuant to the *Livery Stable Keepers Act of British Columbia* may be initiated by the Prince George Horse Society. School Horse Program Instructor Opportunities and Registration

This manual applies to school horse program instructors who are registered with the Prince George Horse Society (PGHS). All stipulations in this manual are superseded by PGHS policies.

The PGHS values and welcomes the school horse instructors that serve our community at Exhibition Park. Instructors play an integral role in the advancement and advocacy of equestrian sports. Furthermore, instructors encourage students to develop the skills, knowledge, and practices that build solid equestrian communities.

We are fortunate to have qualified instructors who are willing to assist students in a variety of equine disciplines. Opportunities for instruction are important as they build the capacity of future generations of riders. The PGHS endorses the National Coaching Certification Program and approves instructors on an individual basis in granting teaching privileges on-site.

For many years, the PGHS has supplied instructional opportunities by allowing approved instructors to book time for lessons at the facility. Reasonable fees are charged to instructors for booking times, allowing instructors to supply lessons at Exhibition Park.

The PGHS accepts and promotes only those programs that follow its Code of Conduct and the Equine Code of Canada.

Riding instruction of all disciplines is permitted only with the consent of the PGHS Executive Committee and the PGHS Board reserves the right to limit the number of in-house instructors.

Mentoring Instructors-in-Training

The PGHS supports mentoring of instructors-in-training by registered instructors. The mentoring instructor must apply to the PGHS Executive Committee for approval to take on an instructor-in-training. If you are interested, please see our Facility Manager for further details.

School Horse Program

As per the agreement between the City of Prince George and the Prince George Horse Society, the PGHS must provide opportunities for public access through programs with school horses.

The PGHS is dedicated to providing opportunities for school horse instructors to operate out of Exhibition Park. The program should offer a safe and affordable opportunity for the community to learn the skills required to ride safely, to participate in events on site, and to potentially one day own their own horse.

Registered School Horse Instructors may be eligible for a discount on their board or annual passes for the registered school horses, as described in the PGHS' policy. The instructor should submit an application. A meeting will be arranged with the PGHS Executive Committee so that the instructor can describe their program and how it benefits the general public in developing equine skills. Applications are available from the Facility Manager.

Definition of School Horse Program Instruction

PGHS defines School Horse Program instruction as:

- Teaching equine skills to a student on a horse supplied by the instructor, on the grounds at Exhibition Park

- Lessons are typically 30 – 60 minutes.
- Instructor accepts payment and/or benefit for services.
- If you are at Exhibition Park providing new skills for an extended period of time, you are considered to be giving a lesson.
- At the facility manager's discretion, there may be two instructors during the instruction time. Please use your professional discretion and be honest about the time you spend teaching.

Booking of Hours

The PGHS reserves the right to limit the number of teaching hours per instructor. The following terms apply:

- Each instructor is entitled to five hours of school horse program instruction time each week. Additional hours may be requested from the Facility Manager.
- School horse program instructional time may be booked any time the arena is open for public use (ie. open riding time) Monday to Friday, October 1st to September 30th.
- The outdoor arena is available for instruction during the warm seasons.
- The school horse instructor's contract outlines the estimated number of hours and days each year and/or season. Instructors need to e-mail their schedule each week to the Facility Manager. If there are any changes, please email the Facility Manager on the day of the changes.
- If school horse program instructors are overbooking hours and not using them during the month, the next month's time will be limited to hours actually used in the previous month. Booked hours will be used for billing purposes (see p.5).
- Weekend instructional time from October 1st - April 30th may be permitted with the advanced permission of the Facility Manager.

Instructional Practices

Instructor Opportunities and Registration

This manual applies to instructors who are registered with the Prince George Horse Society (PGHS). All stipulations in this manual are superseded by PGHS policies.

The PGHS values and welcomes the instructors that serve our community at Exhibition Park. Instructors play an integral role in the advancement and advocacy of equestrian sports. Furthermore, instructors encourage students to develop the skills, knowledge, and practices that build solid equestrian communities.

We are fortunate to have qualified instructors who are willing to assist students in a variety of equine disciplines. Opportunities for instruction are important as they build the capacity of future generations of riders. The PGHS endorses the National Coaching Certification Program and approves instructors on an individual basis in granting teaching privileges on-site.

For many years, the PGHS has supplied instructional opportunities by allowing approved instructors to book time for lessons at the facility. Reasonable fees are charged to instructors for booking times, allowing instructors to supply lessons at Exhibition Park.

The PGHS promotes and accepts only those programs that follow its Code of Conduct and the Equine Code of Canada.

Riding instruction of all disciplines is permitted only with the consent of the PGHS Executive Committee and the PGHS Board reserves the right to limit the number of in-house instructors.
